

## Glass Splashbacks

Australia Glass Brisbane have been installing custom Glass Splashback products throughout Brisbane, Gold Coast and Surrounds since the product initially hit the market over 15 years ago.

An extensive full range is available for Supply & Installation in 6mm Toughened Safety Glass. A myriad of options are available to suit every decor and budget.

Mirrorkote is a popular finish - Available in Black , Grey , Bronze and Super Silver.

The Imagekote range is also on trend at the moment allowing Stone & Marble look options at a fraction of the cost. Designed to help satisfy the demands of today's design conscious. Virtually anything is possible.

Our Standard Colour Range is also available in Matt, Gloss and Metallic Finishes.
